

The Mt. Hood Tour

In the morning, we will head up Mt. Hood to the Timberline Lodge.

You've seen the movie *The Shining*? You'll recognize the lodge. We will tour the lodge and then have a spectacular buffet luncheon.

After lunch, we'll head down to Hood River, a lovely town right on the Columbia where we can take a moment to watch the windsurfers who swarm the Columbia River with their brightly colored kites. There will be time to look around Hood River and do a little wine tasting. They will welcome shoppers as the Columbia Gorge fire economically devastated the town this past summer.

From there, we'll head west to Multnomah Falls.

While there has been much fire damage in this area, the main trail to the falls will be open for a good walk and you'll have an opportunity to look around the lodge that firefighters worked so hard to save from the devastating fires in 2017.

Then we'll drive along the Columbia River and head back to Salem

Cost: \$70.00
