

Have you heard great things about our Oregon wines? It's all true!

We have arranged a memorable wine tour in the Willamette Valley that you will treasure always. Below are the four wineries included in our tour:

Domaine Serene www.domaineserene.com
Domaine Drohin www.domainedrouhin.com
Sokol Blosser www.sokolblosser.com
Stoller Winery www.stollerfamilyestate.com

These are all high-end wineries in gorgeous locations around Dayton, Oregon. We have arranged comfortable transportation for 12 visitors at a time, and tours are offered on Tuesday – we will add Monday and Thursday if there is demand. The cost is \$155 per person and includes transportation, winery tasting fees at four wineries and a sack lunch. Please check out the websites of these wineries and I think you'll find them quite elegant and scrumptious. We are famous for our Pinot Noirs in particular but have other very good wines as well. Please join us so we can show off our terrific Oregon wines.
