Planning for Salem 2018

Congratulations from the Planning Committee for next year's Wally Byam Airstream Club International Rally, coming to Salem, Oregon June 17—30, 2018. Registration has been open for only 110 days, and you're among the 700 members who have already signed up to attend the 61st WBCCI International rally—the first on the West Coast in 12 years.

This is the first of several communications we'll send attendees over the next several months to help prepare you for what we want to be your best rally experience. From June 17 – 19, the Rally Committee and all the Committee Chairman and their volunteers will be coming in to set up and prepare the site for the many great activities we have planned. General parking is set for June 20 – 23 and each attendee will receive their parking date by mid-April.

Plans are underway for many fresh and exciting Rally events, including tours of local attractions, outstanding entertainment, and cool new seminars.

Do you have Airstream friends who missed out on registration? We're excited to announce that we've added more 30amp sites! Many are already spoken for through the standby list (more on that in a minute), but there are still some 30amp sites available. Spread the word!

The "**standby list**" is comprised of members who would like 30amp sites but didn't register in time to snag one of the powered sites. Here are the standby options:

- 1) Register for the Rally and privately arrange to hold a nearby off-site camping location—and ask to be placed on the standby list to move later to the first available 30amp site on the Rally grounds;
- 2) Register on-site for solar or dry camping, and ask to be on the standby list;
- 3) Ask to be on the standby list without first registering for the Rally, then register and attend once your powered site is reserved.

Rally coordinators are working hard to pair as many attendees as possible with the accommodations they need. Please contact Julie Rethman by email at jrethman@wbcci.org or by phone at [\(937\) 596-5211](tel:937-596-5211) if you or someone you know would like to join the standby list.

Please visit <http://salem.wbcci.net/frequently-asked-questions/> for answers to the Frequently Asked Questions about the Rally. Don't see your question? Let us know! Email Salemquestions@wbcci.net.

Watch your inbox in the coming weeks for more news and information to help you plan for the fun-filled International Rally in Oregon this summer.

Until then—keep living the dream!
