# Pop-Up Vendors

We're trying something new this year with vendors! You've probably seen a pop-up shop at your local retailer, boutique or even the grocery store - essentially it's a short-term, temporary retail event that is "here today, gone tomorrow". The Salem Vendor team, led by Chair John Green, is taking that a step further with our pop-up vendor booths which we hope will introduce rally attendees to new products and resources.

The pop-up vendor booths will be open **Monday through Thursday - June 25th, 26th, 27th and 28th from 11am to 2pm at Columbia Hall West**. Some pop-up vendors may choose to extend their hours of operation either before, after or stay the entire day...but at a minimum they have committed to be in their booth during those core hours.
